QUANTITY	All usage associated with the Accounts listed below, as determined by the Utility and adjusted by Seller to include distribution losses for delivery purposes.			
DELIVERY POINT	For each Account below, the interconnect between the applicable ISO/RTO's transmission system and the applicable Utility's distribution system.			
BILLING	<input checked="" type="checkbox"/> Seller Billing (Dual Billing)		<input type="checkbox"/> Utility Single Bill Billing	
FIXED PRICING	For each billing cycle, Buyer shall pay a Fixed Charge per Account, which shall equal (i) the Fixed Rate below per kilowatt-hour (kWh), multiplied by (ii) the Account's billing cycle usage.			
MATERIAL CHANGE	Buyer acknowledges that the Pricing above has been established based on each Account's (a) 12-month historical usage as of the date of this Confirmation (as determined by the Utility) and (b) the forecasted installed capacity (ICAP) requirement ("Forecasted ICAP") in kW reasonably calculated by Seller and adjusted based on the applicable Utility methodology and the NYISO methodology required to translate installed capacity to unforced capacity), and agreed to by the Parties as set forth below (each an Account's "Baseline"). If Seller determines that there has been a material and sustained change from an Account's Baseline for reasons other than Force Majeure which results in an increased cost or decreased revenue to Seller ("Cost"), Seller may request that Buyer and Seller meet and agree on a Pricing adjustment to reflect such Cost; provided however, if Buyer and Seller cannot mutually agree, then Seller may pass-through the Cost, without markup. Unless multiple periods are identified, the Forecasted ICAP below shall apply to the entire Delivery Period. In the event the Forecasted ICAP Start identified below pre-dates the start of the Delivery Period, for clarity, the value shall not be utilized until the start of the Delivery Period identified below.			
DELIVERY PERIOD	The initial Delivery Period for each Account shall begin on the first meter read occurring on or after 5/5/2014 subject to the applicable Utility's confirmation of enrollment with Seller. The initial Delivery Period shall continue through the latest meter read date that occurs on or before 6/30/2015 . The Parties acknowledge that the dates provided are based on the applicable Utility's read schedules, and actual meter read dates may vary.			
RENEWAL	After the initial Delivery Period, service shall continue on a billing cycle-to-billing cycle basis at a variable market rate reasonably determined by Seller unless (i) terminated by either Party giving 30 days written notice prior to the end of the initial Delivery Period noted above, or (ii) Buyer and Seller agree to alternate Pricing as evidenced by a fully executed Confirmation for the relevant Delivery Period. After the initial Delivery Period, service continuing on a billing cycle-to-billing cycle basis may be terminated by either Party giving 30 days written notice to the other Party.			
SPECIAL CONDITIONS	Unmetered usage and non-interval metered usage shall be allocated in Seller's reasonable discretion into hourly periods based on the applicable Utility's class average data. Buyer acknowledges that the pricing herein includes a negotiated fee paid to third party intermediaries involved in the negotiation and execution of this Confirmation. Buyer acknowledges that the intermediary is not an agent of Seller and, thus, is not authorized to bind or represent Seller.

Re: Columbus Park Donation

Dear Leigh,

Green Way Pavements would like to donate approximately 320 square feet of its top-of-the-line EcoRaster E50 Permeable Grid-Paver product to the City's Columbus Park.

The Retail value of this donation is \$1,276.80. The existing area measures 18.3' x 32.6' with a 15% grade. Our desire is to place the EcoRasters along the center-line of the front entrance way. This would create a 10' wide road/ramp, with a 4' wide grassy or stone shoulder on each side.

The EcoRasters can be filled with 3/16" crushed/chiseled gravel stone, and for special effect, colored stone. Installation is more simplified than asphalt or concrete. Green Way will provide installation training materials and offer on-site coaching as needed.

Developing a good example for a Green Infrastructure benefits and educates the community. These 100% Recycled Pavers serve as the green alternative for non-highway pavements, erosion and Stormwater control. They offer superior permeability and are virtually maintenance free, treated similar as brick or stone pavers, and carry a 20-year product guarantee.

Green Way Pavements remains open-minded to collaborate with the City Planners and Engineers on the most feasible use of the EcoRasters in Columbus Park.

We thank you for your time and consideration.

TRAFFIC BOARD MEETING #992
March 20, 2014

The meeting was called to order by Mayor R. David at 10:11 AM with the following members present: Phil Krey, Engineering; Bill Berg, Councilman

Also attending: J. Kraham, Mayor's Office; W. Lescault, Traffic; G. Holmes, DPW; L. McCullen, Community Development; Tito Martinez, Planning

Guests: Despina Jevlekides, owner of Despina's Mediterranean Taste

Approval of the minutes of Traffic Board Meeting #991 held on February 24, 2014

P. Krey made a motion to approve the minutes B. Berg seconded the motion. Unanimously approved.

OLD BUSINESS

Speed Sign Placement

G. Holmes reported that the signs have not yet been ordered. The signs are quite expensive so he is going to look into this further and report back with options and costs.

No motion.

Traffic Signal Project

B. Berg reported that C. Paddick emailed the Traffic Signal Report to Councilwoman T. Rennia as previously requested.

No motion.

Otseningo Street

W. Lescault reported that after further investigation, there is no need for this street to be exempt because there is ample parking available during the alternate side parking season.

No motion.

NEW BUSINESS

135 Conklin Avenue

T. Martinez requested that the Traffic Board review the proposed plans for Mt. Fresh Dairy at 135 Conklin Avenue. Two issues were of concern. First, should the curb openings be wider than the current 30 feet? Second, does the board have any recommendations for the new business at this location. W. Lescault reported that Traffic recommends keeping to 30 feet and covering the One Hour signs across the street for now.

No motion.

North Shore Drive

A citizen requested that the Yield sign on North Shore Drive be replaced with a Stop sign. Traffic reported that the amount of accidents at this location does not warrant a change in the sign. The line of sign is good for a yield sign.

No motion.

79 Court Street Parking Issues

D. Jevlekides, a local restaurant owner reported to the board that she has been having parking issues on Court Street in front of her business at 79 Court Street. She also reported that the alley way behind her building is quite dangerous at night because it is poorly lit. B. Berg asked D. Jevlekides to give the Traffic Board until the April meeting to find a solution for the parking and alley ways.

P. Krey made a motion to adjourn. B. Berg seconded the motion. Unanimously approved.

TRAFFIC BOARD MEETING #993
April 17, 2014

The meeting was called to order by Mayor R. David at 9:38 AM with the following members present: Phil Krey, Engineering; Bill Berg, Councilman, William Yeager, Assistant Police Chief

Also attending: J. Kraham, Mayor's Office; Traffic; G. Holmes, DPW; D. Correll, Sgt. Retired BPD;
D. Petryszyn, Traffic; W. Lescault, Traffic; C. Paddick, BMTS

Approval of the minutes of Traffic Board Meeting #992 held on March 20, 2014

P. Krey made a motion to approve the minutes B. Berg seconded the motion. Unanimously approved.

OLD BUSINESS

Speed Sign Placement

G. Holmes reported that he has been trying to find the signs but is having some difficulty. He is going to contact someone at the state level to find out more information.

No motion.

NEW BUSINESS

Court Street/Milford Street

A complaint was emailed regarding the line of sight at this intersection after she was involved in a motor vehicle accident at this location. The complainant was turning south off of Milford Street onto Court Street and was struck by another vehicle. She believes that the line of sight is not good at this intersection. Traffic looked into this matter and found that there were only three accidents in the past three and a half years which does not warrant a change at this location. Traffic reported that the line of sight is acceptable and recommends that people pull forward a little after stopping at the stop bar and look again before turning. B. Berg will contact the complainant and relay Traffic's recommendations.

No motion.

W. Yeager made a motion to adjourn. P. Krey seconded the motion. Unanimously approved.

Mayor Richard C. David
Chairman - Traffic Board
